VOLUME 6, ISSUE 7

JULY 2008

Vacation Bible School to begin July 13

VBS runs Sunday through Thursday at Ocean Palms. Our theme is *PowerLab: Discovering Jesus' Miraculous Power*. Whether you're a 9:30 or 11:00 attender, on Sunday the 13th you'll get to experience the music of VBS, see famed chipmunk Chadder featured in *Chadder's Theater* and experience the day's Bible story portrayed live through *Bible Adventure*. Know the joy of Vacation Bible School that you help provide each and every year for our kids and kids from the community.

A Service of Healing July 20

God doesn't promise that we will be spared suffering but God does promise to be with us in our suffering. Trusting that promise, we are able to recognize God's sustaining presence in pain, sickness, injury and estrangement. Likewise, God doesn't promise that we will be cured of all illnesses; and we all must face the inevitability of death. A Service of Healing is not necessarily a service of curing, but it provides an atmosphere in which healing can happen. Pastor Jeff's message that Sunday is entitled **My Refuge and My Fortress**; our text will be Psalm 91.

OUR MISSION:

- to know Jesus
- to grow disciples
- to show love
- to go and make disciples

PONTE VEDRA
United Methodist
Church

Those who love me, I will deliver; I will protect those who know my name. When they call to me, I will answer them; I will be with them in trouble, I will rescue them and honor them. With long life I will satisfy them, and show them my salvation. *Psalm 91:14-16*

Missions Corner

June was indeed a great month of giving!

On June 8 you gave **62 bags of groceries** to BEAM (Beaches Emergency Assistance Ministry), an independent, nonprofit, ecumenical service center dedicated to providing short-term social services for residents of the Beaches. BEAM is so appreciative; in summer they experience their lowest levels of giving and the greatest demand for food, since area children receive no school lunches during these months. Thank you for your participation in this wonderful outreach opportunity!

La Sierra Opportunity

Our La Sierra small group has the opportunity to send two PVUMC members to visit our sister church in Cuba November 4-11. If you would like to bless our brothers and sisters in Christ there, and have a passport valid through at least May 2009, get in touch with Loree Reed at loree.reed@pv-umc.org or 285-8796.

John McEvoy Named Trustee

Trustee Joe Vozza has resigned from his position as Trustee due to health concerns. Joe has served in this capacity for two years and was presently serving as chair of Trustees. His service will be greatly missed.

John McEvoy has been invited to serve the remainder of Joe's term which ends in December. John is up to speed on our building project by virtue of leading the Building Design Team and has served faithfully as Trustee (and as chair of Trustees) in the past. We are glad to announce that John has accepted the position of Trustee. As the Trustees elect their own chair, the matter of who will serve as chair will be taken up at the Trustees' next meeting, scheduled for Thursday, July 17.

We welcome John to the Board of Trustees and commit ourselves to praying for Joe who has served our board and our church so well.

A Word from Wesley

Let us therefore hold fast the sound doctrine "once delivered to the saints," and delivered down by them with the written word to all succeeding generations: that although we are renewed, cleansed, purified, sanctified, the moment we truly believe in Christ, yet we are not then renewed, cleansed, purified altogether but the flesh, the evil nature, still remains (though subdued) and wars against the Spirit. So much the more let us use all diligence in "fighting the good fight of faith." So much the more earnestly let us "watch and pray" against the enemy within.

Here’s an update courtesy of the Trustees on the project itself.

The site permit application yielded three chief concerns of the county regarding the site. The concerns and anticipated remedies are

- ◆ Fire protection access to the building: A modification of the site plan should satisfy the requirement.
- ◆ Provision of sidewalk: We can pay \$10,000 into a sidewalk fund in lieu of spending nearly \$30,000 for grading, storm drainage and the sidewalk itself. (Yes this would be a sidewalk from nowhere to nowhere; it’s a county requirement.)
- ◆ Setback: The county has ruled that we’re to be set back 50' from centerline of Roscoe Blvd. We’re having to move our site plan back 14' to accommodate this change.

The civil engineer will resubmit the site plan the week of June 23rd.

Building permit application will be made the week of June 23rd. Submission will mark the beginning of a 30 day review period. Contract pricing will be reviewed at a meeting July 1. Formal loan application cannot proceed without a contract. Loan approval may require up to 60 days.

We continue to be on track for a fall groundbreaking. Construction is anticipated to require 12 months once underway. We continue to pursue the rental of nearby property to host office and midweek ministry functions during construction.

Your continued prayers for the many parties involved in this work are appreciated, as is your generous giving toward this project through our Building on Faith campaign.

Money Matters

An occasional column on things financial

We typically run articles in this column that give us wisdom in managing the financial aspects of our lives. This month, something different. Jesus is always talking about the kingdom of God or the kingdom of heaven in parables. “The kingdom of God is like...” I’m often surprised by how things that having nothing to do with the kingdom of God help me better understand it.

This month I’ve been reading *Buffett: The Making of an American Capitalist*. Warren Buffett is regarded as one of the world’s greatest stock market investors. He is the largest shareholder and CEO of Berkshire Hathaway. With an estimated net worth of some \$62 billion, Buffett has been ranked by Forbes as the richest person in the world.

Many of the lessons Warren Buffett has learned regarding investing can be applied to life in the kingdom of God. For instance, Buffett has always had a keen eye for value. He is quick to purchase stock in companies (and even entire companies) that are undervalued by the market. These companies come to generate huge profits for Buffett which he reinvests. I see Jesus investing himself in the last, the least and the lost, people whom society tends to write off. They in turn, are used to increase the kingdom. As we follow Jesus’ example, we too will find hidden gems in the people whom Christ redeems.

Buffett buys with the idea that he will hold his investments forever. No flipping stocks to make a quick buck. God had that idea first, only God doesn’t stop at investing with what he *has*. God chooses to invest *who he is*. God invests himself in us, beginning with the sacrifice of his one and only son, Jesus Christ and continuing with the gift of the Holy Spirit. And God holds on to his investments (that’s us) forever.

Buffett is keen on creating wealth, taking a little bit and making it more. God creates out of nothing, simply by speaking. And when we offer to God the little bit we are, stand back! In the end we will see what God can do with a life surrendered to him. In your life alone, God will make Buffett’s return on investment look downright puny. You may see only hints of the profit to the kingdom in this life, but in the life to come you’ll be blown away by what God has done with your faithfulness.

Warren Buffet never set out to be the richest man in America. In fact, being incredibly frugal, he rarely spends his wealth. (Buffet lives in the same house in Omaha that he bought 50 years ago for \$31,500.) His one goal seems to be simply to increase wealth; he learned as he went along. What if the overriding desire of our lives was to see the kingdom of God increase? What if we dedicated ourselves to giving God complete reign over our lives? We’d learn, step by step, from the Master what we were to do and how we were to do it. And our lives and the lives of others would be enriched in ways we can barely fathom.

I’m much more impressed with the potential of every single person in our congregation than I am with Buffett’s billions. At the same time, I’m grateful for a glimpse into what one focused person can achieve.

Don't Forget the Church this Summer

Many of us will be enjoying vacations this summer. Though you may not be present when the plate is passed, remember the church this summer. Thank you for your part in helping us stay current on our expenses through May; please be faithful in helping us carry on through the summer. Most importantly, pray for your church. Blessings!

New Series to Begin July 27

Beginning July 27 we will invest five weeks learning about five core practices that are becoming known as, “The Methodist Way.” There is nothing uniquely United Methodist about the practices referred to as “The Methodist Way.” They firmly have their roots in Scripture. They clearly were practiced well when the Methodist movement swept across England and America. But these practices are also practiced well when any congregation lives up to their Kingdom potential, making disciples for a transformed world.

What “The Methodist Way” does is assist United Methodists in being very clear about the specific behaviors, activities and practices which are essential to disciple making. These five core discipling practices move us from abstract intentions to practical and personal directions for ministry.

Cultivating a congregation of passionate worshipers.

Extending radical hospitality to our community and the next generation.

Forming persons in Christ through deep and intentional discipling.

Sending out into the community disciples as salty servants.

Pouring ourselves out in extravagant generosity.

July 27 **Passionate Worship** (Psalm 100)

August 3 **Radical Hospitality** (1 Corinthians 5:18-20, Matthew 25:40)

August 10 **Intentional Discipling** (Matthew 28:18-20)

August 17 **Salty Service** (Matthew 5:13, 20:26-28)

August 24 **Extravagant Generosity** (Luke 16:1-13)

Spotlight on Volunteers

Spotlighting the **Branham family** is an easy thing to do. They are committed to making Ponte Vedra UMC a success. **David**, **Patricia**, and **Stephanie** (when she is home from college) are always ready to offer help whenever asked and often participate in setting up for Sunday morning worship service.

David's volunteer duties include (past and present), Finance Committee, Chairman of the Staff Parish Relations Committee, Traditional service liturgist, and a member of the Traditional Choir. Patricia and David were Follow Up Directors of the Journey of Faith Campaign, and have helped lead the Shepherd's Sunday School class.

When they are not helping out at Ponte Vedra UMC, David works as the Facilities Manager at Community First Credit Union and plays golf on Saturday morning.

Patricia works at CSX and likes to work in her garden, especially her butterfly garden. Maybe she will give the rest of us some gardening tips!

The one thing they both look forward to is watching daughter Stephanie swim. They've put in lots of miles traveling, in state and out, watching high school and college swim meets giving them the title of, very dedicated parents!

Next time you see the Branhams, please tell them, thank you for all you do at Ponte Vedra UMC.

A Note From Pastor Jeff:

I grew up in the 60's and 70's. One of my favorite things about that era is the space program. I was eight years-old when Neil Armstrong walked on the moon; I remember watching it on TV. Remarkable!

This past month I've enjoyed watching the mini-series, "When We Left Earth." I am so impressed by President John F. Kennedy's setting forth the goal, in 1961, of "landing a man on the Moon and returning him back safely to earth." On July 21, 1969, astronaut Neil Armstrong set foot on the moon.

The television series reminded me that the goal wasn't accomplished immediately. First a suborbital flight, then putting a person in orbit. Docking two spacecraft. An EVA, or space-walk. Orbiting the moon. Mercury Redstone, Gemini, Apollo. Take a step and learn. Take another step and learn.

This is so much how it is with our life in Christ. My favorite understanding of God's purpose for us comes from the Westminster Shorter Catechism (1647): "Man's chief end is to glorify God, and to enjoy him for ever." Rarely am I as confident in planning as NASA was in creating a decade-long program to reach the moon. But I usually have a sense of what I need to do next. Once I've taken that step, I learn about the next step. It's a faith walk. You don't get to the moon in a single day.

I still love the space program. (Jill recently found me watching a live webcast of crew members aboard the international space station. What a geek!) But I'm even more intrigued by what we can do together when we follow Jesus.

Glad to be flying this mission with you,
– Pastor Jeff
