"The Jesus I Never Knew" to Conclude with Celebration Sunday, November 9

For several years now we've enjoyed *Celebration Sunday* as the culmination of the fall church wide study series. This year is no exception. We'll enjoy a **combined worship service** at **10:30am** on **Sunday, November 9**. We look forward to the offerings of the praise band and choir, the traditional choir, Youth Creative Arts Ministry (YCAM) and Children In Action (C.I.A.) and Pastor Jeff's message, *Left Behind... With a Mission*. We'll enjoy a **catered meal** together immediately following our worship together.

Groundbreaking to be Celebrated on Sunday, November 9 at 1:00pm

We will break ground for our new building at 76 S. Roscoe Blvd at 1:00pm on Sunday, November 9. Enjoy the combined 10:30am worship service, a delicious meal, and a continuation of the celebration as we move to 76 S. Roscoe to turn over some dirt.

As part of our groundbreaking you will have the opportunity to drive a stake where the walls of our sanctuary building will be. Stakes are available Sunday, November 2 and 9. On your stake you may choose to write a blessing, a favorite Scripture or a prayer of praise or thanksgiving. (Your name too, if you like.) Got a hammer? Bring it along to groundbreaking.

Our church will once again be sponsoring this mission by filling shoeboxes for the children. Collections will be received Sunday, **November 16**. Beware of foolish desire! Beware of inordinate affections! Beware of worldly cares! But, above all, I think you should beware of wasting time in what is called innocent trifling.

Spotlight on Volunteers

Sometimes its difficult to write about just one wonderful volunteer (aren't we all wonderful when we volunteer?! Ha!)? So, three lovely ladies are being recognized this month. Hopefully, this will be a surprise to them 'cause they were all asked information about each other...

Dixie Thalmueller has been visible before Contemporary Service (but now missed) on Sunday mornings because she helps to set up chairs and the back table for our worship services. Because of her recent accident and surgery, she is now having to take time off from this duty. Dixie is still active in the Worship Committee and attends committee meetings each Friday at the church office/ministry house. Another of her volunteer 'duties' include picking up the Sunday bulletins, The Upper Room magazines and any other important information that needs to arrive at Ocean Palms Elementary for Sunday morning worship services. She is currently taking the Discipleship IV class that Jerry Sanders leads and volunteers two days each week at the Mayo Clinic interviewing and lining up musicians to play for the patients. She is a big fan of the Jacksonville Symphony and attends most concerts. She has three grown children: a daughter and two sons. She is currently keeping busy with going to physical therapy two times a week and keeping up with her exercises at home. Get well soon, Dixie, you are missed!

Norma Webster is another volunteer who is busy with several church duties! She is on the Council on Ministries, arranges for volunteer help in getting *The Wave* mailed out and the church bulletins stuffed, is a member of the Cornerstone Sunday School class and she is also an office business check signer. Until Dixie feels better, Norma has taken over Dixie's weekly duties in making sure the box of bulletins and other things to be placed on the back table get picked up, taken to worship service and taken back to the church office. Born in South Africa (that's where her cool accent comes from!) Norma is retired from Rayonier. She has two children: her son lives near Boston with one little boy and another baby on the way, and her daughter lives in Connecticut with three little girls. Norma always offers to help others who have a need; she's very nurturing and is a delight to be around.

Suvan Shine has several duties with which she helps: This year she was pleased when asked to take over the pecan sales, is the secretary of the Cornerstone Sunday School class, and has taught children's Sunday School class. She is also Ponte Vedra UMC's quiet historian who keeps collecting articles about Ponte Vedra UMC! Suvan is a regular volunteer at the TPC Community Senior Center. She is always willing to lend a hand driving others to doctor appointments or just on errands.

We are blessed to know these three ladies! They are friendly and caring and have interesting stories to tell if you ask... Together, they do many things for Ponte Vedra UMC. Please thank them for all they do!

Building
on Faith

Campaign Followup

We are now seven months into our 36-month capital campaign and have so many things for which to thank God.

All of the permits necessary to begin construction have been approved.

Final contract issues have been resolved. We expect the contract to be signed by November 1.

Our construction loan application has been approved by our lender of choice, the Florida United Methodist Foundation. We are working through the requirements to close on this loan; there are no unresolved issues to date.

As we've known for several months, the ministry house at 76 S. Roscoe must be demolished in order for the site to be prepared for building.

For midweek ministry space we have entered into agreements to rent the Palm Valley Community Center on Canal Blvd and the Senior Center on Landrum Lane.

We have begun renting the trailer at 56 S. Roscoe; it is nearly ready for use as office space. Arrangements have been made to move the offices there on November 3.

We will break ground for our new building on Sunday, November 9 at 1:00pm. This coincides with Celebration Sunday, the culmination of our fall study series. That Sunday plan to enjoy the combined 10:30am worship service, a delicious meal here, and a continuation of the celebration as we move to 76 S. Roscoe to turn over some dirt. As part of our brief service there, you are each invited to pound a stake around the perimeter of the building. It will be a holy and festive occasion!

Thank you praying for and giving in support of this ambitious project. In October *Building on Faith* surpassed the half-million dollar mark.

Money Matters

An occasional column on things financial

These days most people are asking themselves, “Where’s a safe place to put my money?” If you’re willing also to ask, “Where’s a *good* place to put my money?” then you should read on.

Our church is borrowing from *The Florida United Methodist Foundation* to finance the construction of our church building. Our church has also had funds on deposit with *The Foundation* while saving to purchase land and again while accruing funds with which to build. Funds on deposit are lent to churches like ours for the purposes of building. Individuals are also welcome to put their money to work in the same way. From *The Foundation* website, www.fumf.org:

Any Florida resident may open a participation account in the Development Fund with a minimum investment of \$100. Money deposited in the Development Fund earns a higher rate of interest than most commercial savings, money market or certificate of deposit accounts. Interest is accrued from the time of deposit until the time of withdrawal. Money is available, without penalty, on demand. Earnings are reported quarterly.

Investors in the Development Fund also earn the satisfaction of knowing that their money is being used to further the work of the United Methodist Church. The Development Fund, with more than \$83 million in assets, supplies low-interest loans to churches and conference agencies. Since 1976, the Development Fund has loaned more than \$120 million in loans conference-wide, with no defaults. Every loan has been repaid in full and no investor has lost a penny by investing in the Development Fund.

The interest rate is set by the Foundation Board of Directors and is subject to review and/or change on a quarterly basis.

For the present quarter the Development Fund investment rate is 3.75%. (The loan rate for churches is 5.75%.)

76 Roscoe Blvd: Everything Must Go

From time to time mention people have mentioned that they’d like to come out and remove some of the plants at 76 S Roscoe. Now is the time. Come on out, shovel in hand, and take what you want, first come, first served. (Do leave the massive oaks; we’re saving those. ☺) We’ll welcome gifts to the Building Fund for those so inclined.

Ministry Fair to be Held November 23

Ever wonder how you can get connected to a ministry within our church? Ever thought, How can I connect to mission that reaches beyond our church? From 10:30 - 11:00am Sunday morning, November 23 you'll be able to experience the breadth of ministry and mission going on in and through Ponte Vedra UMC. Visit the tables at the back of the worship space following the contemporary service or before the traditional service and check it out. You might just leave connected in a new way to what God is doing in the church and in the world!

New Member Orientation November 2

Thinking about joining Ponte Vedra UMC? Our next new member orientation is set for Sunday, November 2, from 3:00 to 5:00pm at the ministry house, 76 S. Roscoe Blvd. The group will be led by Pastor Jeff. Whether you're thinking about membership or would simply like to learn more about our church, you are encouraged to participate.

Hanging of the Greens

Joy, joy, joy, joy, joy. On Sunday, November 30 we'll gather at 7pm at Ocean Palms Elementary to decorate our worship space and sing the songs of the season during our festive "Hanging of the Greens" service. Got kids? Come early (5:30) to enjoy Christmas crafts with them.

A Note From Pastor Jeff:

I'm sitting in my office, realizing that it's time to move again. I thought we'd be here longer. It wasn't even 15 months ago that we moved from Executive Way into the ministry house at 76 S. Roscoe; now we're moving the offices to 56 S. Roscoe and half a dozen other activities to other sites.

The summer before last we took pains to make this house functional and presentable. No regrets there but the sad fact is that within weeks it will be demolished. (I'm told that one of our elementary school aged kids cried when she learned about it.) The only thing that will remain of our labors is whatever fruit the ministries here have borne.

This house can be a metaphor for our lives. It's possible for us to spend our entire lives making life nice for ourselves. But when life here is over, what remains? Eventually just dust and ashes unless we've invested ourselves in work that affects eternity. Last summer it cost us \$200 to repair the air conditioning at the ministry house. The technician suggested we spend several hundred dollars more to lengthen the life of the unit. When I told him this unit's life was ending this fall, that was the end of the conversation.

Life here doesn't last forever. It'd be a shame to blow it on what doesn't last.
